As you know, on January 28<sup>th</sup>, 2009, Peanut Corporation of America (PCA) announced an expanded, voluntary recall of all peanuts and peanut products produced at the Blakely, Georgia plant dating back to January 1<sup>st</sup>, 2007. (Please see the U.S. Food and Drug Administration press release.)

Fieldbrook Foods Corporation purchased granulated peanuts from PCA for use in the manufacturing of our ice cream sundae cone products.

As a result, Fieldbrook Foods Corporation has announced a voluntary recall on all sundae cone products manufactured at our manufacturing facility located in Dunkirk, New York.

Fieldbrook Foods has notified the U.S. Food and Drug Administration of all products manufactured with peanuts from the PCA plant in order to have this information available and posted on their website. The specific item is Byrne Dairy's Vanilla Sundae Cone, UPC code 4311901861, 6 Pack Box.

Fieldbrook Foods has ceased manufacturing and shipping all sundae cone products effective January 28<sup>th</sup>, 2009 and will be disposing of all of our finished inventory of sundae cone products.

Fieldbrook requests that you isolate all Fieldbrook manufactured sundae cone products in your warehouses and have product immediately removed from the retail store shelves. This product will need to be counted and documented in order to ensure that all potentially contaminated products are immediately removed from the food supply chain. All combined inventories need to be reported to Fieldbrook Foods for verification before disposition through the attached summary detail.

Please have your wholesale and retail accounts post this recall notice at the point of sale or a prominent location for the next several weeks to alert customers of this recall action.

Fieldbrook is diligently working on a new, safe and secure source of supply for peanut products and will have our product and manufacturing recovery plans in front of you within the next few days.

Please contact me directly (1-800-333-0805) with any questions and thank you in advance for your consideration through this difficult time for our industry.

Sincerely,

**FIELDBROOK FOODS CORPORATION**
